Name _____

Address _____

City _____

State _____

Zip _____

Phone: _____

Email: _____

Date of Birth: _____

Age: _____

PATIENT CONFIDENTIALITY IS STRICTLY MAINTAINED

The total cost of \$1,095 for this kit includes: Sperm Count, Advanced Semen Cytology, Cell Count, Private Sperm Cryo-Banking, and Viral Testing.

The viral testing is an ongoing clinical trial and as such, is not covered by most health insurance providers.

Some insurance providers may reimburse for the semen analysis. We will provide you with billing codes and test descriptions that you may submit to your insurance provider.

The combined assay used for viral testing and analysis is not FDA approved. The virus test results are for research purposes only.

To ensure confidentiality and limit administrative overhead, we do no third party billing.

Signature _____

Date _____

The combined assay is not FDA approved.

Viral test results are for research purposes only.

Please make checks payable to: Bedford Research Foundation, all revenues are used for research purposes.
